

Academic Calendar

Faculty of Engineering

2023/2024

SEMESTER 1	
For all students	
Opening ceremony of the academic year	September 3 (Sunday), 2023
Registration week	August 28 – September 3, 2023
Exam week for exam courses scheduled for the 1st semester of the academic year 2023/2024	August 28 – September 1, 2023
Conferences, Industry Days	October 16 – 20, 2023
Career Days in Mechanical Engineering (Exhibition and ISCAME – International Scientific Conference on Advance in Mechanical Engineering) – organized by the Department of Mechanical Engineering	November 9 – 10, 2023
Conference of the Students' Scientific Association	November 24, 2023
Administrative break	December 25, 2023 – January 7, 2024
For non-graduating students	
Study period	September 4 – December 8, 2023 (14 weeks)
Drawing week 1 – for completing assignments	October 16 – 20, 2023
Drawing week 2 – for completing and improving assignments except for final-semester subjects	December 4 – 8, 2023
First half of the exam period	December 11 – 22, 2023 (2 weeks)
Second half of the exam period	January 8 – February 9, 2024 (5 weeks)
For graduating students	
Study period	September 4 – November 3, 2023 (9 weeks)
Drawing week 1 – for completing assignments	October 16 – 20, 2023
Exam period	November 6 – December 8, 2023 (5 weeks)
Thesis submission deadline	Determined by the department, no earlier than 14 days before the beginning of final exam period, no later than 14 days before the final exam.
Final exam (state exam) period	Determined by the department, at least one occasion between December 11, 2023 and January 26, 2024
SEMESTER 2	
For all students	
Registration week	February 5 – 11, 2024
Conferences, Industry Days	March 25 – 28, 2024
"Industry Days in Debrecen"	March 27 – 28, 2024
Industry days and Exhibition by the Department of Building Services	May 9 – 10, 2024
"Problem-based learning in engineering education" conference organized by the Department of Basic Technical Studies	May 15, 2024
For non-graduating students	
Study period	February 12 – May 17, 2024 (14 weeks)
Drawing week 1 – for completing assignments	March 25 – 28, 2024
Drawing week 2 – for completing and improving assignments except for final-semester subjects	May 13 – 17, 2024
Exam period	May 21 – July 5, 2024 (7 weeks)
For graduating students	
Study period	February 12 – April 12, 2024 (9 weeks)
Drawing week 1 – for completing assignments	March 25 – 28, 2024
Exam period	April 15 – May 17, 2024 (5 weeks)
Thesis submission deadline	Determined by the department, no earlier than 14 days before the beginning of final exam period, no later than 14 days before the final exam
Final exam (state exam) period	Determined by the department, at least one occasion between May 21 – June 21, 2024
Closing ceremony of the academic year, graduation ceremony	Determined by the faculty, between June 7 – July 7, 2024
