

**Academic Calendar
Faculty of Engineering
2024/2025**

SEMESTER 1	
For all students	
Opening ceremony of the academic year	September 8 (Sunday), 2024
Registration week	September 2 – 8, 2024
Exam week for exam courses scheduled for the 1st semester of the academic year 2024/2025	September 2 – 6, 2024
<i>Environment, Health, Safety (EHS) International Symposium IV 2024 / ISEHS 2024</i> organized by the Department of Environmental Engineering	October 17 – 18, 2024
<i>"Problem-Based Learning in Engineering Education"</i> conference organized by the Department of Basic Technical Studies	October 24, 2024
<i>Career Days in Mechanical Engineering (Exhibition and ISCAME – International Scientific Conference on Advance in Mechanical Engineering)</i> – organized by the Department of Mechanical Engineering	November 7 – 9, 2024
Conference of the Students' Scientific Association	November 22, 2024
Administrative break	December 23, 2024 – January 3, 2025
For non-graduating students	
Study period	September 9 – December 13, 2024 (14 weeks)
Drawing week 1 – for completing assignments	October 21 – 25, 2024
Drawing week 2 – for completing and improving assignments except for final-semester subjects	December 9 – 13, 2024
First half of the exam period	December 16 – 20, 2024 (1 week)
Second half of the exam period	January 6 – February 14, 2025 (6 weeks)
For graduating students	
Study period	September 9 – November 8, 2024 (9 weeks)
Drawing week 1 – for completing assignments	October 21 – 25, 2024
Exam period	November 11 – December 13, 2024 (5 weeks)
Thesis submission deadline	Determined by the department, no earlier than 14 days before the beginning of final exam period, no later than 14 days before the final exam.
Final exam (state exam) period	Determined by the department, at least one occasion between December 16 – 20, 2024 or January 6 - 24, 2025
SEMESTER 2	
For all students	
Registration week	February 10 – 16, 2025
<i>"Industry days and Exhibition"</i> organized by the Department of Building Services	March 6 – 7, 2025
<i>"Industry Days in Debrecen"</i>	March 26 – 27, 2025
<i>"New Trends and Challenges in Management – Management of Global Business Processes"</i> conference Department of Engineering Management and Enterprise	March 27 – 28, 2025
National Scientific Students' Associations Conference	April 23 – 25, 2025
For non-graduating students	
Study period	February 17 – May 23, 2025 (14 weeks)
Drawing week 1 – for completing assignments	March 31 – April 4, 2025
Drawing week 2 – for completing and improving assignments except for final-semester subjects	May 19 – 23, 2025
Exam period	May 26 – July 11, 2025 (7 weeks)
For graduating students	
Study period	February 17 – April 18, 2025 (9 weeks)
Drawing week 1 – for completing assignments	March 31 – April 4, 2025
Exam period	April 21 – May 23, 2025 (5 weeks)
Thesis submission deadline	Determined by the department, no earlier than 14 days before the beginning of final exam period, no later than 14 days before the final exam.
Final exam (state exam) period	Determined by the department, at least one occasion between May 26 – June 20, 2025
Closing ceremony of the academic year, graduation ceremony	Determined by the faculty, between June 13 – July 13, 2025
